DISCUSSION

The Department of Alcohol and Drug Programs (ADP) has enclosed a diskette in this package.

This diskette is the pre-programmed V.1 for transmitting the FY 2001-02 combined NNA and DMC Contract or NNA-only Contract amendment. The data contained on this diskette represents information from your FY 2000-01 final amendment and information reflected in the Budget Act allocation (ADP Bulletin [01-22](#) dated 9-21-01) for the FY 2001-02 combined NNA and DMC Contract or NNA-only Contract submission. Please be aware that the NNA and DMC data may have changed due to line additions and deletions explained in the "Funding Line Changes" portion of this document.

To complete the V.1 Amendment Diskette in PARADOX, you will need an IBM compatible personal computer with WINDOWS software version 3.1 (or higher), a mouse, an EGA monitor (or higher), a WINDOWS compatible printer and PARADOX Runtime. If you no longer have the installation CD for PARADOX Runtime, please contact your county contract analyst.

SAPT Block Grant FY 2002 Award

Based on the new system of federal tracking by grant award, counties will need to estimate and budget any anticipated unexpended funds from SAPT 2002 Award in Support Services under the Cost Efficiencies Service Code. Twenty-five percent (25%) of the SAPT 2002 award is the estimated amount the county will need to cover expenditures incurred for the remaining three months of FFY 2002 (July through September). The SAPT 2002 award will remain in the counties SFY 01-02 budget and the 25 percent identified under the Cost Efficiencies Service Code will not be paid until the beginning of SFY 2002-03, July 1, 2002.

Federal SAPT Block Grant 2001 award funds budgeted and obligated in Cost Efficiencies Service Code 08, for FY 2000-01 must be identified in the FY 2001-02 budget. These funds must be reflected in the appropriate funding lines, modalities, and service elements that are associated with the proposed budget, e.g.: 50-01 SAPT Discretionary, 50a-01 Adolescent Treatment Program, 50b-01 SAPT Friday Night Live, etc. These funds will NOT roll up into the Exhibit A1, but will be used for tracking purposes only.
